

**AGENDA
IRVINE RANCH WATER DISTRICT
BOARD OF DIRECTORS
REGULAR MEETING**

June 8, 2020

Due to COVID-19, this meeting will be conducted as a teleconference pursuant to the provisions of the Governor's Executive Orders N-25-20 and N-29-20, which suspend certain requirements of the Ralph M. Brown Act. Members of the public may not attend this meeting in person.

Participation by members of the Board of Directors will be from remote locations. Public access and participation will only be available telephonically/electronically.

To virtually attend the meeting and to be able to view any presentations or additional materials provided at the meeting, please join online via Webex using the link and information below:

Via Web:

<https://irwd.my.webex.com/irwd.my/j.php?MTID=m257ce67e924916b07f23281883b4f439>

Meeting Number (Access Code): 626 121 455

Meeting Password: ZKf2ga2GUV3 (95324224 from phones and video systems)

After joining the meeting, in order to ensure all persons can participate and observe the meeting, please select the "Call in" option and use a telephone to access the audio for the meeting by using the call-in information and attendee identification number provided.

As courtesy to the other participants, please mute your phone when you are not speaking.

PLEASE NOTE: Participants joining the meeting will be placed into the WebEx lobby when the Board enters closed session. Participants who remain in the "lobby" will automatically be returned to the open session of the Board once the closed session has concluded. Participants who join the meeting while the Board is in closed session will receive a notice that the meeting has been locked. They will be able to join the meeting once the closed session has concluded.

CALL TO ORDER 5:00 p.m.

ROLL CALL Directors Reinhart, LaMar, Swan, and Withers, and President Matheis

PUBLIC COMMENT NOTICE

If you wish to address the Board of Directors on any item, please submit a request to speak via the "chat" feature available when joining the meeting virtually. Remarks are limited to three minutes per speaker on each subject. You may also submit a public comment in advance of the meeting by emailing comments@irwd.com before 12:00 p.m. on Monday, June 8, 2020.

ALL VOTES SHALL BE TAKEN BY A ROLL CALL VOTE.

COMMUNICATIONS TO THE BOARD

1. A. Written:

B. Oral:

2. ITEMS RECEIVED TOO LATE TO BE AGENDIZED

Recommendation: Determine the need to discuss and/or take immediate action on item(s).

CONSENT CALENDAR

Resolution No. 2020-12

Items 3-6

3. BOARD MEETING MINUTES

Recommendation: That the minutes of the May 27, 2020 Regular Board meeting be approved as presented.

4. RATIFY/APPROVE BOARD OF DIRECTORS' ATTENDANCE AT MEETINGS AND EVENTS

Recommendation: That the Board ratify/approve the meetings and events for Mary Aileen Matheis, Douglas Reinhart, Peer Swan, Steven LaMar and John Withers, as described.

5. IRWD SALARY GRADE SCHEDULE CHANGES FOR FY 2020-21

Recommendation: That the Board adopt a resolution superseding Resolution No. 2020-11 and adopting a revised Schedule of Positions and Salary Rate Ranges for the General Employee Unit, the Non-exempt Supervisor Unit, and for Managers, Exempt Supervisors, Confidential and Exempt Employees.

Reso. No. 2020 -

6. IRVINE LAKE ACCESS AND USE LICENSE EXTENSION

Recommendation: That the Board authorize the General Manager to execute a first amendment to license to extend the term of the fishing concession at Irvine Lake for a period of up to one year.

ACTION CALENDAR

7. METER READING SERVICES CONTRACT AWARD

Recommendation: That the Board authorize the General Manager to execute a five-year contract for meter reading services with Alexander's Contract Services Inc. effective July 1, 2020 in the amount of \$7.9 million.

ACTION CALENDAR (continued)

8. TRABUCO CANYON WATER DISTRICT LIFT STATION CAPACITY ASSIGNMENT AGREEMENT AND BUDGET INCREASE

Recommendation: That the Board authorize the General Manager to execute the El Toro Trunk Sewer System Wastewater Capacity Assignment Agreement subject to non-substantive changes, and authorize a budget increase in the amount of \$1,970,000, from \$2,630,000 to \$4,600,000, for the termination of services at the Trabuco Canyon Water District El Toro Road Sewage Lift Station, Force Mains, and Gravity Mains, Project 11227.

9. 2020 LEGISLATIVE AND REGULATORY UPDATE

Recommendation: Receive and file.

OTHER BUSINESS

Pursuant to Government Code Section 54954.2, members of the Board of Directors or staff may ask questions for clarification, make brief announcements, and make brief reports on his/her own activities. The Board or a Board member may provide a reference to staff or other resources for factual information, request staff to report back at a subsequent meeting concerning any matter, or direct staff to place a matter of business on a future agenda. Such matters may be brought up under the General Manager's Report or Directors' Comments.

10. General Manager's Report

11. Directors' Comments

12. Receive oral update(s) from District liaison(s) regarding communities within IRWD's service area and provide information on relevant community events.

13. Adjourn.

Availability of agenda materials: Agenda exhibits and other writings that are disclosable public records distributed to all or a majority of the members of the above-named Board in connection with a matter subject to discussion or consideration at an open meeting of the Board are available for public inspection in the District's office, 15600 Sand Canyon Avenue, Irvine, California ("District Office"). If such writings are distributed to members of the Board less than 72 hours prior to the meeting, they will be available from the District Secretary of the District Office at the same time as they are distributed to Board Members, except that if such writings are distributed one hour prior to, or during, the meeting, they will be available electronically via the Webex meeting noted. Upon request, the District will provide for written agenda materials in appropriate alternative formats, and reasonable disability-related modification or accommodation to enable individuals with disabilities to participate in and provide comments at public meetings. Please submit a request, including your name, phone number and/or email address, and a description of the modification, accommodation, or alternative format requested at least two days before the meeting. Requests should be emailed to comments@irwd.com. Requests made by mail must be received at least two days before the meeting. Requests will be granted whenever possible and resolved in favor of accessibility.

EXHIBIT "A"

MINUTES OF REGULAR MEETING – May 26, 2020

The regular meeting of the Board of Directors of the Irvine Ranch Water District (IRWD) was called to order at 5:00 p.m. by President Matheis on May 26, 2020 via teleconference pursuant to the provisions of the Governor's Executive Orders N-25-20 and N-29-20 due to COVID-19. Members of the public did not attend this meeting in person.

Directors Present: Reinhart, Swan, Withers, LaMar and Matheis.

Directors Absent: None.

Also Present: General Manager Cook, Executive Director of Technical Services Burton, Executive Director of Water Policy Weghorst, Executive Director of Finance and Administration Clary, Director of Treasury and Risk Management Jacobson, Executive Director of Operations Chambers, General Counsel Collins, Director of Public Affairs Beeman, Director of Human Resources Roney, Director of Water Quality and Regulatory Compliance Colston, Director of Recycling Operations Zepeda, Director of Maintenance Mykitta, Director of Administrative Services Malone, Government Relations Officer/Deputy General Counsel Compton, Secretary Bonkowski, Mr. Bruce Newell and members of staff and the public.

WRITTEN AND ORAL COMMUNICATIONS: None.

ITEMS TOO LATE TO BE AGENDIZED: None.

CONSENT CALENDAR

On MOTION by Swan, seconded by Reinhart and unanimously carried by a roll call vote (5-0) Withers, Matheis, Reinhart, Swan, and LaMar voting aye, and 0 noes, CONSENT CALENDAR ITEMS 3 THROUGH 6 WERE APPROVED AS FOLLOWS:

3. BOARD MEETING MINUTES

Recommendation: That the minutes of the May 11, 2020 Regular Board meeting be approved as presented.

4. APRIL 2020 TREASURY REPORT

Recommendation: That the Board receive and file the Treasurer's Investment Summary Report, the Summary of Fixed and Variable Rate Debt, and Disclosure Report of Reimbursements to Board members and staff, approve the April 2020 Summary of Payroll ACH payments in the total amount of \$3,110,433, and approve the April 2020 Accounts Payable Disbursement Summary of Warrants 407457 through 408209, Workers' Compensation Distributions, wire transfers, payroll withholding distributions and voided checks in the total amount of \$21,517,910.

CONSENT CALENDAR (CONTINUED)

5. CAPSTONE THREE-YEAR FACTORY PROTECTION PLAN AGREEMENT FOR THE BIOSOLIDS AND ENERGY RECOVERY FACILITY PROJECT

Recommendation: That the Board authorize the General Manager to execute a three-year Capstone Microturbine Factory Protection Plan Agreement with authorized service provider Cal Microturbine for a total of \$320,796.

6. THREE-YEAR CONTRACT AWARD FOR OPERATION AND MAINTENANCE OF MICROTURBINE AND BIOGAS TREATMENT SYSTEMS AT THE MICHELSON WATER RECYCLING PLANT BIOSOLIDS AND ENERGY RECOVERY FACILITIES

Recommendation: That the Board authorize the General Manager to execute a three-year operation and maintenance contract with GI Energy for the Operation and Maintenance of Microturbine and Biogas Treatment Systems at the Michelson Water Recycling Plant Biosolids and Energy Recovery Facilities in the amount of \$1,431,754.

ACTION CALENDAR

MID-CYCLE OPERATING BUDGET AND RATES FOR FISCAL YEAR 2020-21

Using a PowerPoint presentation, Mr. Christopher Smithson provided a summary of the mid-cycle Fiscal Year 2020-21 operating budget and rates. Using a chart, Mr. Smithson reviewed the approved budget and updated assumptions. The update assumed net reduced expenses of \$1.1m due to: a lower COLA increase (-\$0.7m); lower employee position vacancy rates and some starting salaries above mid-point (+\$1.5m); addition of unbudgeted positions (+\$0.4m); reduction in the OCWD replenishment assessment (-\$1.2m); reduction in imported water due to higher use of native water (-\$1.1m); additional cybersecurity software services (+\$0.3m); and over-allocation projects funded by outside agencies (-\$0.3m). He further reviewed the forecast variances from the approved budget which included proposed rate revenue reduction of \$4.6m, which combined with the reduced net expenses of \$1.1m result in a projected reduction in net income of \$3.5m. He reviewed the replacement fund uses including capital facilities, insurance, variable rate hedge, system refurbishments, environmental compliance and rate stabilization, and described the use of the Rate Stabilization Fund to offset the reduction in net income.

Mr. Smithson then reviewed customer rates using a chart showing a typical residential customer monthly bill under the approved July 1, 2020 rate, and noted that by deferring the July 1 rate increase at this time, a typical residential bill would be \$1.44 less per month when compared with the charge that would otherwise be imposed under the currently approved rates. Staff recommends using the Rate Stabilization Fund to cover this difference. Deferral of the rate increase does not need to be noticed through the Proposition 218 process. IRWD would notify its customers of the deferral through messaging that would include the District's newsletter, website, social media, and on-hold messaging.

Following discussion, Director Reinhart said he was in favor of staff's recommendation and made a motion to approve the item which was seconded by Matheis. Following comments by Director Swan, the motion was withdrawn. Director Swan reported that this item was reviewed by the Finance and Personnel Committee on May 12, 2020. He further noted concerns about using the Replacement Fund to balance the budget, however, he concurred with staff's recommendation. On MOTION by Swan, and seconded by LaMar, and unanimously carried by a roll call vote (5-0) Withers, Matheis, Reinhart, Swan, and LaMar voting aye, and 0 noes, THE BOARD RECEIVED AND FILED THE MID-CYCLE OPERATING BUDGET UPDATE FOR FISCAL YEAR 2020-21 AND APPROVED DEFERRING THE POTABLE WATER, RECYCLED WATER, AND SEWER RATE INCREASES FOR FY 2020-21.

SEWER SIPHON IMPROVEMENTS CONSTRUCTION AWARD

Executive Director of Technical Services Burton reported that the District's sewer system includes 19 sewer siphons in various locations. In 2016, the District completed a preliminary condition assessment and ranked these siphons using a criticality analysis, considering risk and consequence of failure. This analysis prioritized the siphons based on factors such as preliminary condition assessment, flow capacity, proximity to waterways and age. Mr. Burton said that staff identified the top four priority siphons for rehabilitation and retained Woodard and Curran to perform a condition assessment of the siphons and design improvements to address deficiencies. The siphons are located at: 1) San Diego Creek at Harvard Avenue, 2) Main Street and Veneto, 3) Harvard Avenue and Barranca Parkway, and 4) Orange County Transit Authority at Jamboree Road.

Mr. Burton reported that the assessment revealed the siphon barrels and structures require significant rehabilitation due to age, corrosion caused by the highly corrosive sewer environment, partial or complete obstruction of siphon barrels, and inoperable flow control equipment. Woodard and Curran designed the required improvements to restore full capacity to the siphon barrels, improve reliability, enhance operation and maintenance of the siphons and reduce odors. The project improvements will include cleaning and cured-in-place pipe (CIPP) lining of the siphon barrels, rehabilitation of the vaults, new flow control structures, site and vault access improvements, construction of two grit traps, and installation of an odor control injection facility. After the completion of this project, the 15 remaining sewer siphons, which are less critical, will be rehabilitated through similar projects.

Mr. Burton said that the project was advertised to a select bidders list of 31 mechanical and pipeline contractors on February 19, 2020. The bid opening was originally scheduled for March 19, 2020. He said that due to COVID-19, staff extended the bid period to April 30 and waived the pre-bid meeting requirement to increase contractor interest. Despite the extension, only two bids were received: one from Leatherwood Construction and the other from Vido Artukovich & Son, Inc. Vido Artukovich & Son, Inc. is the apparent low bidder with a bid of \$8,355,349.67. Receiving two bids from a select bidders list of 31 contractors, along with the higher bid amounts, reflect the complex nature of this project and the high volume of current construction work. The activities of cleaning, dewatering, and siphon rehabilitation by CIPP are complex and involved processes that were underestimated in the engineer's estimate. After researching the current market costs for each bid item with recent public agency construction bids, staff concluded that the bidders' prices are within the range of the current market and are not likely to be reduced significantly if the project is re-bid.

Following discussion, on MOTION by Reinhart, seconded by Matheis and unanimously carried by a roll call vote (5-0) Withers, Matheis, Reinhart, Swan, and LaMar voting aye, and 0 noes, THE BOARD AUTHORIZED A BUDGET INCREASE FOR PROJECT 07886 IN THE AMOUNT OF \$3,114,000, FROM \$6,632,000 TO \$9,746,000, AND AUTHORIZED THE GENERAL MANAGER TO EXECUTE A CONSTRUCTION CONTRACT WITH VIDO ARTUKOVICH & SON, INC. IN THE AMOUNT OF \$8,355,349.67 FOR THE SEWER SIPHON IMPROVEMENTS, PROJECT 07886.

GENERAL MANAGER'S REPORT

General Manager Cook reported that he was notified late last week that one IRWD employee tested positive for COVID-19, and that IRWD's Human Resources Department staff have been in contact with those employees who may have been in contact with this employee. Mr. Cook said he is confident that no other employees were impacted, and that this employee is currently at home recovering.

General Manager Cook also reported that IRWD employee David Paulson received the prestigious Operator of the Year Award from the American Membrane Technology Association. This is a nationally recognized award, and we are very proud of Dave.

DIRECTORS' COMMENTS

Director Swan reported on his attendance at MWDOC Board and Administration and Finance Committee meetings, a WACO Planning Committee meeting, an OCBC Infrastructure meeting, Newport Chamber of Commerce meetings, a PPIC Groundwater meeting, a Regional Water Quality Control hearing relative to Poseidon, and an MWD IRP meeting last Friday.

Director LaMar reported on his attendance at three California Environmental discussions, a MWDOC Legislative Committee meeting, ACWA weekly meetings, a MWDOC Board meeting, and an MWD IRP meeting.

Director Withers said he had no meetings to report.

Director Reinhart reported on an MWD ILP meeting, an OCWD Board Meeting, a MWDOC Water Issues Committee meeting, and a South County Agency's meeting today.

Director Matheis reported on her attendance at two MWD meetings.

COMMUNITY UPDATES:

IRWD's Consultant Bruce Newell reported that all is going well in the canyon, and that wildfire preparedness emails have been sent to the canyon residents which also included information about the District's recent improvements.

CLOSED SESSION

General Counsel Collins said that the following Closed Sessions would be held this evening:

- 1) CLOSED SESSION CONFERENCE WITH LABOR NEGOTIATORS – Pursuant to Government Code Section 54957.6(a):

Agency designated representatives: Paul Cook and Jenny Roney

Unrepresented employee: Managers, Supervisors and Confidential Employees

- 2) CLOSED SESSION CONFERENCE WITH REAL PROPERTY NEGOTIATORS – Pursuant to Government Code Section 54956.8:

Property: 32633 Trabuco Creek Road, Trabuco Canyon, CA 92679 (Assessor's Parcel Number 842-061-04)

Agency Negotiator: Paul Cook, General Manager, and Rob Jacobson, Director of Treasury and Risk Management

Negotiating Parties: Mark U. Parker Living Trust, Steven U. Parker Living Trust and Linda Jane U. Laval Living

Under negotiation: Price and Terms of Payment

OPEN SESSION

Following the Closed session, the meeting was reconvened with Directors Swan, Withers, LaMar, Reinhart, and Matheis present. General Counsel Collins reported that relative to Item No. 1 of the Closed Session, the Board unanimously approved bringing a 0.7% COLA increase for the Board's consideration on the Consent Calendar at the next Board meeting, and for Item No. 2 the Board approved the price and terms for the purchase of said property at 32633 Trabuco Creek Road, Trabuco Canyon, CA 92679 - Assessor's Parcel Number 842-061-04, and authorized the General Manager to finalize the purchase and sale agreement for the property for a purchase price of \$950,000 subject to certain terms, and which agreement will be available from the Board Secretary following its full execution.

ADJOURNMENT

President Matheis adjourned the meeting at 6:37 p.m.

APPROVED and SIGNED this 8th day of June 2020.

President, IRVINE RANCH WATER DISTRICT

Secretary IRVINE RANCH WATER DISTRICT

APPROVED AS TO FORM:

IRWD SALARY GRADE SCHEDULE CHANGES FOR FY 2020-21

SUMMARY:

IRWD typically makes a Cost of Living Adjustment for District staff effective July 1 of each year. Staff recommends the Board adopt revised salary grade schedules by resolution, effective July 1, 2020, based on a Cost of Living Adjustment of 0.7%.

BACKGROUND:

The District typically makes a Cost of Living Adjustment for staff effective July 1. For Fiscal Year 2020-21, the proposed changes to the IRWD Salary Grade Schedules incorporate:

- A 0.7% Cost of Living Adjustment for Managers, Exempt Supervisors, Confidential and Exempt Employees;
- A 0.7% Cost of Living Adjustment for the General Employee Unit (as provided for in Article IX of the Memorandum of Understanding for the General Employee Unit); and
- A 0.7% Cost of Living Adjustment for the Non-Exempt Supervisor Unit (as provided for in Article IX of the Memorandum of Understanding for the Non-Exempt Supervisors Unit).

The proposed Cost of Living Adjustments are based on the 12-month change in the Consumer Price Index (CPI) posted by the Bureau of Labor Statistics for the Los Angeles-Long Beach-Anaheim areas.

A resolution adopting the proposed changes to the IRWD Salary Grade Schedules is provided as Exhibit "A".

Staff recommends the Board adopt a resolution superseding Resolution No. 2020-11 and adopting a revised Schedule of Positions and Salary Rate Ranges (Schedule "I"), effective July 1, 2020.

FISCAL IMPACTS:

The Cost of Living Adjustment for employee salaries was included in the Fiscal Years 2019-20 and 2020-21 Operating Budgets approved by the Board on April 22, 2019.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act Code of Regulations, Title 14, Chapter 3, Section 15378.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

THAT THE BOARD ADOPT THE FOLLOWING RESOLUTION BY TITLE:

RESOLUTION NO. 2020 –

RESOLUTION OF THE BOARD OF DIRECTORS OF THE
IRVINE RANCH WATER DISTRICT SUPERSEDING
RESOLUTION NO. 2020-11 AND ADOPTING A REVISED
SCHEDULE OF POSITIONS AND SALARY RATE RANGES
FOR THE GENERAL EMPLOYEE UNIT, THE NON-EXEMPT
SUPERVISOR UNIT, AND FOR MANAGERS, EXEMPT
SUPERVISORS, CONFIDENTIAL AND EXEMPT
EMPLOYEES

LIST OF EXHIBITS:

EXHIBIT "A"

RESOLUTION NO. 2020 -

RESOLUTION OF THE BOARD OF DIRECTORS
OF IRVINE RANCH WATER DISTRICT,
SUPERSEDING RESOLUTION NO. 2020-11 AND
ADOPTING A REVISED SCHEDULE OF POSITIONS
AND SALARY RATE RANGES

The Board of Directors of Irvine Ranch Water District, by adoption of Resolution No. 2020-11 on April 27, 2020, established a Schedule of Positions and Salary Rate Ranges of the Irvine Ranch Water District; and

The Board of Directors of Irvine Ranch Water District have reviewed the Schedule of Positions and Salary Rate Ranges and desires to make revisions thereto.

The Board of Directors of Irvine Ranch Water District does hereby resolve, determine and order as follows:

Section 1. That the Schedule of Positions and Salary Rate Ranges adopted by Resolution No. 2020-11 on April 27, 2020 is hereby superseded effective July 1, 2020.

Section 2. That the Schedule of Positions and Salary Rate Ranges for the Irvine Ranch Water District as set forth in Schedule "I" attached to this Resolution, and as effective July 1, 2020 for all classifications, is hereby approved and adopted.

ADOPTED, SIGNED and APPROVED on June 8, 2020.

President, IRVINE RANCH WATER DISTRICT
and of the Board of Directors thereof

Secretary, IRVINE RANCH WATER DISTRICT
and of the Board of Directors thereof

CONSENT CALENDAR

IRVINE LAKE ACCESS AND USE LICENSE EXTENSION

SUMMARY:

In June 2019, IRWD entered into a one-year license agreement with the County of Orange and Serrano Water District, permitting the County to operate a shoreline fishing concession at Irvine Lake. Staff recommends the Board authorize the General Manager to execute an amendment extending this license for a period of up to one year.

BACKGROUND:

IRWD and Serrano Water District are the property owners of Irvine Lake. Subject to a pending transfer from Irvine Company, the County of Orange will own 75% of the recreation rights at the lake and Serrano will continue to own the remaining 25%.

In June 2019, the District entered into a one-year Access and Use License (License) with the County and Serrano, allowing the County to operate a shoreline fishing concession at Irvine Lake. The term of the License is scheduled to expire on June 30, 2020. Staff recommends the Board authorize the General Manager to execute the First Amendment to License for a period of up to one year. The draft First Amendment to License is provided as Exhibit "A".

The License extension provides for early termination upon the occurrence of any of the following:

- Abandonment of the license by the County;
- Written agreement to terminate signed by all parties;
- If IRWD and Serrano determine that the County has engaged in prohibited activities; or
- Action by a regulatory agency limiting / restraining consumption of fish from the lake.

Resolution of Outstanding Real Property Matters – Update:

IRWD, Serrano, the County and Irvine Company staff and their respective legal counsels continue efforts toward the resolution of outstanding real property matters at the lake. Primary outstanding items include finalizing easement agreements for unrestricted access to the lake for all parties, termination of multiple outdated agreements between IRWD, Serrano, Irvine Company/County and an agreement to terminate reversionary rights (to be replaced with a use covenant for water operating purposes).

In May 2020, documents drafted by both IRWD and Serrano legal counsels were circulated to the County and Irvine Company for review and comment. Terms included in the draft documents are consistent with those from previous discussions between the parties, and

previously discussed with members of the Serrano Water District / IRWD Committee. Final terms of the agreements and easements will be subject to Board approval. A long-term agreement to provide fishing and related concessions will need to be completed between the County and Serrano following approval of the referenced easements and agreements.

FISCAL IMPACTS:

None.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act Code of Regulations, Title 14, Chapter 3, Section 15378.

COMMITTEE STATUS:

This item was not reviewed by a Committee.

RECOMMENDATION:

THAT THE BOARD AUTHORIZE THE GENERAL MANAGER TO EXECUTE A FIRST AMENDMENT TO LICENSE TO EXTEND THE TERM OF THE FISHING CONCESSION AT IRVINE LAKE FOR A PERIOD OF UP TO ONE YEAR.

LIST OF EXHIBITS:

Exhibit "A" – Draft First Amendment to License

FIRST AMENDMENT TO LICENSE

THIS FIRST AMENDMENT TO LICENSE AGREEMENT ("**First Amendment**") is made and entered into May ___, 2020 ("**Effective Date**") by and between IRVINE RANCH WATER DISTRICT, a California water district organized under and existing pursuant to Sections 34000, *et seq.* of the California Water Code ("**IRWD**"), SERRANO WATER DISTRICT, a special government district formed under the Irrigation District Law, California Water Code Sections 20500, *et seq.* ("**SWD**") and the COUNTY OF ORANGE, a political subdivision of the State of California ("**County**"). Each entity may be referred to herein individually as a "**Party**," or collectively as the "**Parties**."

RECITALS

- I. The Parties entered into that certain "Irvine Lake Access and Use License" effective July 1, 2019 with a termination date of June 30, 2020 ("**License**").
- II. The Parties intend by this First Amendment to extend the Term of the License for one year in order to continue to negotiate in good faith toward a long term agreement for the recreational use of Irvine Lake and the extension of the License will facilitate additional good faith negotiations.
- III. On March 4, 2020, the Governor of the State of California declared a State of Emergency ("**COVID-19 Emergency**") to exist in California as a result of an imminent and proximate threat to public health from the introduction of a novel coronavirus ("**COVID-19**") in the state. The County Board of Supervisors declared a State of Emergency on February 26, 2020 and began implementing measures to comply with the COVID-19 Emergency ("**County State of Emergency**").
- IV. The measures required to minimize the spread and mitigate the effects of COVID-19 and to comply with the COVID-19 Emergency have prevented the County from utilizing the License Premises and the Recreational Activities as of March 27, 2020.
- V. The Parties also intend by this First Amendment to amend the License to provide for the tolling of the Fee in order to address impacts related to the COVID-19 Emergency and the County State of Emergency, upon the terms and conditions contained herein.

NOW THEREFORE, in consideration of the Recitals above, which are incorporated herein by this reference, the Parties do hereby agree to amend the License as follows:

- A. Section IV of the License is hereby deleted from the License in its entirety and the following clause is substituted:

"The term ("**Term**") of this License and the rights of the County hereunder expire on June 30, 2021. This License may be revoked or terminated upon the following:

- A. The abandonment of this License by the County for its convenience as evidenced by a 30 day written

notice provided by the County to Licensors¹; or

- B. A written agreement to terminate has been signed by all Parties; or
- C. If either Licensors reasonably determines and provides notice to the other Parties that the County has engaged in prohibited activities or uses inconsistent with or beyond the scope of the License; or
- D. Action by a regulatory agency that limits or otherwise restrains the ability of the public to consume fish caught in Irvine Lake.”

- B. Section VIII of the License is hereby deleted from the License in its entirety and the following clause is substituted:

“For the County’s use of the Recreational Activities, the County shall pay SWD a fee (“Fee”) which shall be the greater of: (i) \$4,500 per month or (ii) 25% of the County’s net proceeds obtained from its Recreational Activities. Payment of the Fee shall be made on a monthly basis in arrears within forty-five days with supporting documents to verify the Fee paid. If this License is terminated by County prior to its expiration date for convenience pursuant to Section IV, above, the County shall provide thirty (30) days advance notice and shall pay the full amount otherwise due for any month or portion of month this License is still in effect, with no pro rata calculation applicable for such month. If this License is terminated by County prior to its expiration date for cause (e.g., material breach, regulatory requirements impose a substantial and negative impact on County’s use of the License) the termination shall be effective immediately upon written notice provided by County to the Licensors, and County shall only be responsible for a pro rata difference in the Fee owed for the County’s actual use of the Premises.

Notwithstanding the above, the requirement of County to pay the Fee shall be tolled from March 27, 2020 to May 16, 2020, which is the date that fishing operations can recommence at Irvine Lake following the lifting of certain restrictions associated with the declared County State of Emergency in connection with COVID-19 (any period where the County is legally precluded from operating at Irvine Lake is hereinafter referenced as the “**Tolling Period**”). In the event that a future State or County health order in Orange County causes fishing operations to cease again, the Tolling Period shall recommence and be confirmed in writing by SWD and County. Any Fee payments received by SWD during a Tolling Period for the period covered by a Tolling Period, shall be credited toward any Fee otherwise owed by the County to SWD after the Tolling Period ends. In the event that County is authorized by law to resume fishing at Irvine Lake, but declines to do so notwithstanding that public fishing has lawfully resumed at other public or privately owned locations in Orange County, then the Tolling Period referenced herein shall be deemed to end on the date that recreational fishing operations become legally authorized under applicable State and County health orders in Orange County.”

- C. Wherever a conflict in the terms or conditions of this First Amendment and the License may arise, if any, the terms or conditions of this First Amendment shall prevail. In all other respects, the terms and conditions of the License not specifically changed by this First Amendment shall remain in full force and effect.

//
//
//

¹ Should the County terminate this License “for cause,” to include, among other things, regulatory restrictions that frustrate Recreational Activities, or material breach by one of the Licensors, then County is not required to provide a 30 day written notification prior to terminating this License.

//
//
//
//
//
//
//

IN WITNESS WHEREOF, the Parties have executed this First Amendment the day and year first above written.

ACTION CALENDAR

METER READING SERVICES CONTRACT AWARD

SUMMARY:

IRWD's contract for meter reading services with Alexander's Contract Services, Inc. will expire on June 30, 2020. Staff issued a Request for Information (RFI) to seven established meter reading firms of which two responded. Based on a thorough evaluation of the responses received, staff recommends the Board authorize the General Manager to execute a five-year contract for meter reading services with Alexander's Contract Services, effective July 1, 2020, in the amount of \$7.9 million.

BACKGROUND:

The District's current contract for meter reading service with Alexander's, originally awarded in March 2009 and extended in July 2015, expires on June 30, 2020. Staff issued an RFI to seven firms for contract meter reading services: Alexander's, Tribus, Liberty Utilities, Bermex, Contract Callers Inc, MeterNET, and Conservice. Two firms, ACS and Bermex, responded to the RFI.

The Contract Meter Reading Services Response Analysis is provided as "Exhibit A". The most qualified responder using the above criteria is Alexander's. Alexander's meets the District's needs by:

- Providing accurate meter reading services to the District since 2009;
- Proposing a minimal incremental price increase per meter over the duration of the contract;
- Remaining responsive to meeting the District's needs while utilizing existing resources, equipment, and technology;
- Ensuring no costs required by the District to integrate meter reads with the planned utility billing system upgrade; and
- Providing web-based and mobile technology that allows District staff to access meter read information remotely.

During the evaluation, staff determined that Bermex does not currently provide meter reading services to any customers in California. It is an established agency providing meter reading and other utility contracts services for over 35 years in Florida, Georgia, Kentucky, Ohio, Texas, and Tennessee. It proposed hiring a third-party vendor to implement the technology component needed to read IRWD meters. Bermex would also require a long lead time to fulfill its staffing recruitments, conduct new hire training, become established in California, and set up integration of meter reads to the District's billing system using a newly purchased product.

Alexander's and IRWD began their business partnership in 2009 when IRWD transitioned meter reading services from SCE. During the transition and in subsequent years, both parties have worked together to provide solutions to challenges. Over the past 10 years, Alexander's has consistently provided exceptional service to IRWD customers and has assisted Customer Service and other IRWD departments with completing specialized field projects. Alexander's has worked diligently with staff to prevent, resolve, and reduce multiple meter reading challenges that the District faces when new communities are developed. Alexander's has assisted with testing and formatting (at no cost to IRWD) when upgrades to the customer information system are needed. IRWD's meter reading needs have increased significantly since 2009 and Alexander's maintains an error rate of less than 2% of meter reads uploaded each month.

In addition to reading meters for IRWD, Alexander's also provides meter reading and services such as, activation/deactivation of accounts, disconnect for non-payment and restoration of account after disconnection for non-payment for 27 other California clients, and has expanded its services nationwide, while still keeping its major focus in California. Its list of clients includes the City of Newport Beach, Western Municipal Water District, and Las Virgenes Water District.

IRWD will be upgrading the Oracle Customer Care and Billing (CC&B) software in the coming years and the original implementation required an extensive amount of interface programming and configuration to allow Alexander's to send and receive meter read information to CC&B for billing customers. Renewing the agreement with Alexander's will reduce potential billing delays created by implementing a new meter reading company in conjunction with upgrading CC&B.

FISCAL IMPACTS:

Funds for contract meter reading services for FY 2020-21 are included in the approved FY 2020-21 operating budget.

ENVIRONMENTAL COMPLIANCE:

This item is not a project as defined in the California Environmental Quality Act (CEQA), Code of Regulations, Title 14, Chapter 3, Section 15378.

COMMITTEE STATUS:

This item was reviewed by the Finance and Personnel Committee on June 2, 2020.

RECOMMENDATION:

THAT THE BOARD AUTHORIZE THE GENERAL MANAGER TO EXECUTE A FIVE-YEAR CONTRACT FOR METER READING SERVICES WITH ALEXANDER'S CONTRACT SERVICES INC. EFFECTIVE JULY 1, 2020 IN THE AMOUNT OF \$7.9 MILLION.

ACTION CALENDAR

TRABUCO CANYON WATER DISTRICT LIFT STATION CAPACITY ASSIGNMENT AGREEMENT AND BUDGET INCREASE

SUMMARY:

IRWD currently has unutilized and unneeded capacity ownership in the Trabuco Canyon Water District (TCWD) El Toro Road Sewage Lift Station and associated force and gravity main sewage collection pipelines. Staff from TCWD and IRWD worked cooperatively to determine the best path forward to assign IRWD's capacity ownership and associated financial obligations in these facilities to TCWD. Staff recommends the Board authorize the General Manager to execute the El Toro Trunk Sewer System Wastewater Capacity Assignment Agreement in the amount of \$4,526,000, subject to non-substantive changes.

BACKGROUND:

In 1989, part of the Portola Hills development was annexed into IRWD. Prior to 1989, water and sewer service for the development was provided by Santa Ana Mountains County Water District (now TCWD). As a result of the annexation, IRWD began providing domestic water and sewer service to existing residential and proposed residential and commercial customers. Roughly half of the existing Portola Hills development continued as customers of TCWD, while the remaining half, plus new development, became IRWD customers. Sewage from the Portola Hills area (both TCWD and IRWD customers) was conveyed via TCWD's El Toro Road Trunk Sewer System (the El Toro System) into Santa Margarita Water District's (SMWD) Chiquita System for treatment and disposal. The annexation resulted in agreements between IRWD, SMWD, and TCWD for conveyance, treatment and disposal of sewage generated by IRWD customers. A schematic of these facilities is provided in Exhibit "A".

In February 2019, IRWD and SMWD successfully negotiated an agreement to terminate IRWD's unutilized and unneeded capacity in the SMWD Chiquita System for treatment and disposal. One remaining agreement, the "Agreement between IRWD and TCWD Relating to Certain Sewer Capacity Rights," dated April 24, 1989, obligates IRWD to pay capital replacement and operating costs for TCWD's El Toro Road Sewage Lift Station and associated force and gravity mains: approximately 20,000 feet of eight-inch and 10-inch force mains and approximately 13,000 feet of 12-inch to 18-inch gravity mains. All costs are allocated to IRWD based on its remaining proportional capacity ownership, 0.66 million gallons per day, in each element of the El Toro System (33.68%). This capacity is unutilized and unneeded by IRWD.

Subsequent to IRWD's work with SMWD, staff approached TCWD staff to terminate the April 24, 1989 agreement. IRWD and TCWD staff collaborated on buy-out conditions and presented draft term sheets to their respective Boards of Directors in early 2020. Recently, TCWD's consultant Hazen & Sawyer completed a condition assessment and rehabilitation study on the El Toro System Lift Station. The updated costs from that study, and other minor increases

Action Calendar: Trabuco Canyon Water District Lift Station Capacity Assignment Agreement and Budget Increase

June 8, 2020

Page 2

to the pipeline rehabilitation unit costs were reviewed, modified and agreed upon by staff from both TCWD and IRWD.

The Assignment Agreement with the recommended terms and conditions is included as Exhibit “B”. The buy-out amount is \$4,526,000 and is within the amount previously authorized by the IRWD Board of Directors. The Assignment Agreement was reviewed by TCWD’s Engineering Committee on June 3, 2020 and will be presented for approval by its Board of Directors on June 17, 2020. The SMWD consent associated with the Assignment Agreement will be presented for approval by its Board of Directors on June 19, 2020.

Staff recommends the Board authorize the General Manager to execute the agreement, subject to non-substantive changes.

FISCAL IMPACTS:

IRWD currently pays approximately \$50,000 per year in operation and maintenance (O&M) costs for the El Toro System. Additionally, staff estimates that the El Toro System lift station and approximately 20,000 feet of force mains and approximately 13,000 feet of gravity mains have approximately 20 years of remaining life (based on a 1989 construction date). Staff developed Net Present Value project costs that include capital replacement/rehabilitation and O&M for the estimated 20-year remaining useful facilities life spans. These costs incorporate the agreed-upon pipeline and lift station rehabilitation costs.

Staff requests a budget increase to the existing Board Approved Project 11227 in the FY 2019-20 Capital Budget to fund the project, as shown in the following table. Funding will be provided by the replacement fund for sanitary sewer.

Project No.	Current Budget	Addition <Reduction>	Total Budget
11227	\$2,630,000	\$1,970,000	\$4,600,000

ENVIRONMENTAL COMPLIANCE:

This project is not subject to the California Environmental Quality Act (CEQA) as authorized under the California Code of Regulations, Title 14, Chapter 3, Section 15061 (b) (3), in that CEQA applies only to projects that may result in a direct physical change in the environment or reasonably foreseeable indirect physical change in the environment.

COMMITTEE STATUS:

This item was not reviewed by an IRWD Committee; the price and terms associated with this agreement was reviewed in Closed Session with the IRWD Board on February 10, 2020.

Action Calendar: Trabuco Canyon Water District Lift Station Capacity Assignment Agreement
and Budget Increase

EXHIBIT "B"

El Toro Trunk Sewer System Wastewater Capacity Assignment Agreement

This Wastewater Capacity Assignment Agreement (“**Agreement**”) is effective as of July 1, 2020 (“**Effective Date**”) and is between the Trabuco Canyon Water District (“**Trabuco**”) and the Irvine Ranch Water District (“**Irvine Ranch**”). Trabuco and Irvine Ranch are each referred to as a “**Party**,” and together as the “**Parties**.”

A. Overview. Trabuco owns and operates the El Toro Lift Station and related wastewater collection facilities (collectively, the “**El Toro Trunk Sewer System**”). Irvine Ranch owns 0.66 million gallons per day (MGD) of the capacity in the El Toro Trunk Sewer System, as established in the *Agreement between [Irvine Ranch] and [Trabuco] Relating to Certain Sewer Capacity Rights*, dated 24 April 1989 (the “**Trabuco-Irvine Ranch Agreement**”) and the *Wastewater Capacity Exchange Agreement*, dated July 1, 2018, between Irvine Ranch and the Santa Margarita Water District (“**Santa Margarita**”), which modified the capacity interests and payment obligations between Irvine Ranch and Santa Margarita with respect to the El Toro Trunk Sewer System and other facilities. Irvine Ranch maintains an emergency point of diversion in the El Toro Trunk Sewer System, upstream of the El Toro Lift Station (the “**Diversion Structure**”). The Diversion Structure receives power from the El Toro Lift Station via electrical facilities and related appurtenances located on the lift station (“**Diversion Structure Appurtenances**”).

B. Common Costs/Operating Costs. The annual operation and maintenance costs for the El Toro Trunk Sewer System are allocated among Trabuco, Santa Margarita, and Irvine Ranch as follows: fixed “**Common Costs**,” which are allocated by capacity, and are incurred even if no wastewater is conveyed or treated; and “**Operational (Variable) Costs**,” which are costs that are only incurred when conveying, treating, or disposing of wastewater, and vary with the quantity and quality of wastewater.

C. Assignment of Capacity. Irvine Ranch no longer uses capacity in the El Toro Trunk Sewer System. The Parties wish to enter into this Agreement to effect the assignment of Irvine Ranch’s existing capacity interests to Trabuco and provide for Irvine Ranch’s compensation to Trabuco in exchange for Trabuco’s assumption of the Common Costs associated with the assigned capacity.

D. Diversion Structure. Irvine Ranch intends to maintain its Diversion Structure as a point of emergency diversion, according to the terms of this Agreement.

The Parties therefore agree as follows:

1. **Assignment**. Effective July 1, 2020 (the “**Assignment Date**”):

1.1 Irvine Ranch hereby transfers, assigns, and conveys its entire 0.66 MGD capacity interest in the El Toro Trunk Sewer System to Trabuco.

1.2 Trabuco shall, on such date, assume all duties for, and accepts Irvine Ranch's capacity interest in, the El Toro Trunk Sewer System.

1.3 Upon the Effective Date, the capacity allocations in the El Toro Trunk Sewer System will be as set forth in Exhibit 1.

2. Diversion Structure; License at Lift Station.

2.1 For so long as IRWD maintains a motorized valve actuary system at the Diversion Structure, Trabuco shall provide adequate electrical power to the Diversion Structure system at no charge to Irvine Ranch.

2.2 Trabuco hereby licenses to Irvine Ranch the right to maintain and use the existing Diversion Structure Appurtenances, and all appurtenances related to the Diversion Structure that are located on or in Trabuco's property, as necessary or convenient (in Irvine Ranch's reasonable discretion) to the operation and maintenance of the Diversion Structure. This license includes the right of ingress and egress over Trabuco's property, the right to attach, re-attach, modify, repair, replace, add to, and maintain the appurtenances.

3. **Payment.** In exchange for Trabuco's assumption of Irvine Ranch's capacity and related duties related to the El Toro Trunk Sewer System, Irvine Ranch shall pay Trabuco the total sum of \$4,526,000 on or before July 1, 2020. This sum represents the net present value of the projected Common Costs associated with Irvine Ranch's capacity for a period of 20 years (the anticipated remaining useful life of the facilities), including anticipated rehabilitation and replacement of related facilities, and the value of the current improvements to the El Toro Lift Station.

4. **Other Costs; Waiver and Indemnity.** Except as provided in Section 2.1, neither Party has, nor shall have, any responsibility to share in the cost of or to otherwise contribute toward any capital improvement made to the other Party's facilities related to the El Toro Trunk Sewer System after the Assignment Date. Except for claims relating to the Diversion Structure, Trabuco waives any claims it currently has or may have in the future arising out of Irvine Ranch's capacity in the El Toro Trunk Sewer System prior to the Effective Date, and will indemnify, defend, and hold harmless Irvine Ranch from any claims arising out of or relating to the El Toro Trunk Sewer System after the Effective Date.

5. **Effect on Prior Rights.** The terms of this Agreement govern the Parties and supersede all contrary terms in prior agreements between the Parties, including but not limited to each of the prior agreements noted in the recitals of this Agreement.

6. Miscellaneous

6.1 *Integration, Governing Law, Amendment.* This Agreement represents the entire understanding of the Parties as to their interests and obligations relating to assignment of Irvine Ranch's current capacity in the El Toro Trunk Sewer System. To the extent that it contradicts or varies from this Agreement, no prior oral or written understanding shall be of any force or effect with respect to the matters covered by this Agreement. This Agreement is governed by the laws of the State of California and shall be construed as if drafted by both

Parties. This Agreement may not be modified except in writing, approved and executed by both Parties.

6.2 *Third Parties.* This Agreement does not create any third-party beneficiary or any rights in any person or party other than the Parties. However, Santa Margarita Water District, as another capacity owner in the El Toro Trunk Sewer System, is consenting to this Agreement in the attached Consent as an acknowledgement of the assigned rights and duties of the reallocation of capacity as shown on Exhibit 1, and as a declaration of non-opposition.

6.3 *Signing Authority.* Each Party represents and warrants that each person or persons executing this Agreement on its behalf is duly authorized to do so by the respective Party and that this Agreement shall bind the Parties.

6.4 *Notices.* Any written notice required by this Agreement shall be made by U.S. mail or by reliable overnight courier and delivered to the following address, together with a courtesy copy by email:

To Irvine Ranch: Irvine Ranch Water District
15600 San Canyon Avenue
Irvine, CA 92618

Lift Station and Force Main					3.3	1.96	0.00	0.00%	0.18	9.18%	1.78	90.82%

Notes

Manning's "n" assumed to be 0.013.

Capacity calculated at depth to diameter ratio of 0.5 for 12-inch and 0.75 for larger pipes.

$$Q_{\text{peak}} \text{ (cfs)} = 1.84 Q_{\text{avg}} ^{0.92}$$

The limiting peak capacity of the gravity system is 3.1 mgd (Reach 7).

Both sets of pumps can pump approximately 3.3 mgd through both the 12" and 8" force mains exiting the El Toro Sewage Lift Station

Consent

Santa Margarita Water District ("Santa Margarita") hereby consents to the transfer of 0.66 MGD of Irvine Ranch Water District's capacity ("Transferred Capacity") in the El Toro Lift Station and related collection facilities to Trabuco Canyon Water District ("Trabuco"), as set forth in Section 1 of the attached Wastewater Capacity Assignment Agreement and shown in Exhibit 1 (the "2020 Capacity Table").

Santa Margarita acknowledges and agrees that the 2020 Capacity Table will replace and supersede the 2018 El Toro Trunk Sewer System Capacity Allocation Table, attached to the *Wastewater Capacity Exchange Agreement* dated July 1, 2018, between Irvine Ranch and Santa Margarita.

Santa Margarita acknowledges and agrees that as of July 1, 2020, common (fixed) costs as shown on the 2020 Capacity Table are allocated as follows:

Irvine Ranch	0.00%
Santa Margarita	9.18%
Trabuco	90.82%

ACTION CALENDAR

2020 LEGISLATIVE AND REGULATORY UPDATE

SUMMARY:

This report provides an update on the 2019-2020 legislative session, regulatory issues, and IRWD priorities. As legislation and regulations develop, staff will provide updates and recommendations to the Water Resources Policy and Communications Committee (WRP Committee) and the Board, as appropriate.

BACKGROUND:

Following a nearly two-month recess due to COVID-19, the Assembly returned and resumed legislative activity on May 4. The State Senate returned and resumed legislative activity on May 11. One of the consequences due to the difference in return dates between the two houses is that the legislative calendars for each house do not synchronize until July 13, 2020. This means that the first policy and fiscal committee deadlines are different for the Assembly and Senate.

In the Assembly, May 22 was the last day for policy committees to hear and report fiscal bills while May 29 was the last day for policy committees to hear non-fiscal bills. June 5 was the fiscal committee deadline in the Assembly, and the Assembly's house of origin deadline is June 19 this year, which is the day the Assembly will begin its summer recess. The Assemblymembers will return from summer recess on July 13.

In the Senate, May 29 was the last day for policy committees to hear and report fiscal bills while June 5 was the last day for policy committees to hear non-fiscal bills. June 19 is the fiscal committee deadline in the Senate, and the Senate's house of origin deadline is June 26. The Senate will begin its summer recess on July 2 and will return on July 13.

A copy of the 2020 Legislative Matrix is provided as Exhibit "A". Links to the bills discussed below are included within each discussion, unless a separate exhibit is noted.

State Budget Update:

Governor's May Revise:

Governor Newsom released the May revision to his proposed Fiscal Year 2020-21 Budget (the May Revise) on May 14, 2020. For FY 2020-21, the May Revise proposes \$133.9 billion in total General Fund expenditures, projects \$129.6 billion in total General Fund revenues, and proposes to draw down the Budget Stabilization Account/Rainy Day Fund to \$8.3 billion, which is a \$7.8 billion decrease. Another \$450 million is proposed to be used from the Safety Net Reserve. This compares to the \$153.1 billion in total General Fund expenditures, \$151.6 billion in projected General Fund revenues, and \$1.9 billion proposed to be added to the Budget Stabilization Account/Rainy Day Fund, which was included in the Governor's Proposed Budget

in January. The addition of the \$1.9 billion would have brought the forecasted total of Budget Stabilization Account/Rainy Day Fund to \$17.9. When compared to the enacted Fiscal Year 2019-2020 budget, the May Revise represents a \$12.6 billion, or 8.6 percent, decrease in General Fund expenditures.

According to the Governor’s May Revise, “[t]he COVID-19 pandemic and resulting recess has changed the fiscal landscape dramatically... Compared to the January forecast, General Fund revenues are projected to decline over \$41 billion. This revenue drop, combined with increased costs in health and human services programs and the added costs to address COVID-19, leads to a projected budget deficit of approximately \$54 billion before the changes proposed in the May Revision.” (May Revise – 2020-21 Introduction, Page 2-3)

The May Revise proposes to close the \$54 billion budget deficit through the following:

Proposed Budget Solutions <i>(in billions)</i>	
Cancelled Program Expansions & Other Reductions	\$8.4
Use of Reserves	\$8.8
Borrowing/Transfers/Deferrals	\$10.4
Cap the Tax Credits a Taxpayer Can Use in a Tax Year	\$4.4
Federal Funds	\$8.3
Triggers if Federal State Funding is Not Passed	\$14.0
	\$54.3

Of note with the May Revise and the fiscal challenges facing the State, the Administration announced that the Governor no longer supports the idea of a Climate Resilience Bond on the November 2020 ballot. Despite this, some members of the Legislature continue to pursue a bond, now referring to it as an economic stimulus bond.

The Legislature has until June 15 to pass a balance budget, and until June 25 to place a bond on the November ballot. On June 4, staff provided the WRP Committee with an update on the latest budget discussions.

2020 State Legislative Update:

Legislation Related to De-energization Events:

To reduce the risk of catastrophic wildfire, electric utilities have begun to institute Public Safety Power Shutoffs (PSPS). A PSPS event is a de-energization event in which the power in high-risk areas is turned off to reduce the likelihood of a wildfire starting from downed power lines and related equipment. IRWD, like many other water and sewer providers, has been affected by PSPS events.

To prepare for a loss of electricity, IRWD has set up generators at all of its critical facilities to ensure that IRWD has the power to keep water and sewer systems operating. While IRWD is prepared to continue operating during these PSPS and other de-energization events, the District’s

backup generators are regulated by various air quality regulations which place limits on the run-times of backup generators and the testing that can be performed on them.

There is one bill that would be beneficial to IRWD with regard to PSPS events, [SB 1099 \(Dodd, D-Santa Rosa\)](#). SB 1099, as currently drafted, would require air districts to adopt a rule to allow critical facilities with a permitted emergency backup generator to use that generator during a de-energization event of other loss of power.

California Municipal Utilities Association and Las Virgenes Municipal Water District have been working on amendments to the bill in order to move it forward this year. The bill will be amended as it moves through the Senate Energy, Utilities and Communications Committee. The amendments, which are included as Exhibit “B”, would require the South Coast Air Quality Management District to develop stipulations for an order of abatement that allows an operator of a critical facility to use its backup generators in exceedance of the permitted runtimes during a PSPS event provided the operator agrees to replace the backup generators with the cleanest feasible and applicable technology over a period of time.

IRWD currently has a “support” position on SB 1099. Staff provided the WRP Committee with an update on this legislation.

Legislation Related to Fees on Residential Housing Development:

One of the prominent topics of discussion during the 2019 legislative year was the lack of affordable housing in California. At the end of the legislative year, the discussion on housing affordability turned to the fees assessed on new housing development. At that time, Assemblymember Timothy Grayson (D-Concord) amended [AB 1484](#) to propose a number of changes to the laws governing fees charged to new housing developments, including connection fees. Staff engaged with IRWD’s associations and industry partners to seek the removal of connections fees from the scope of AB 1484; however, the legislative year ended before Assemblymember Grayson could work on AB 1484 further.

On February 24, 2020, Assemblymember Grayson, in conjunction with Assemblymembers David Chiu (D-San Francisco), Rob Bonta (D-Oakland), Todd Gloria (D-San Diego), and Jesse Gabriel (D-San Fernando Valley), held a press conference announcing a package of eight bills meant to address development fees on housing developments. Those eight bills are no longer moving forward this year; however, Assemblymember Grayson has indicated that he plans to seek enactment of AB 1484 this year.

Staff also discussed AB 1484 with the WRP Committee and current efforts to seek amendments to the bill. AB 1484 is currently in the Senate Rules Committee, which was referred to Committee after being amended on the Senate Floor last year.

Additional 2020 State Legislation of Interest to IRWD:

There are many other bills of interest to the District, including:

- [*AB 828 \(Ting\) – Temporary Moratorium on Foreclosures and Unlawful Detainer*](#)
Actions: Among other things, AB 828 would prohibit an eviction of a residential tenant during the COVID-19 state emergency and through 15 days after the emergency ends. It would also require a court to permit a residential tenant, who has not paid their rent, to remain in the property if they pay their monthly rent plus 10 percent of the unpaid rent owed each month. AB 828 is currently in the Senate Rules Committee;
- [*AB 2406 \(Wicks\) – Rental Registry Online Portal*](#): AB 2406 would require the Department of Housing and Community Development (HCD) to create an online rental registry portal. It would require landlords who own and operate five or more rental dwelling units and accept rental assistance payments from federal or state funds that are provided in response to the COVID-19 emergency, to submit information to HCD's portal. It also prohibits a landlord taking certain actions until the information is submitted. AB 2406 is currently in the Assembly Appropriations Committee;
- [*SB 939 \(Wiener\) – COVID-19 Commercial Tenancy Evictions*](#): SB 939 would prohibit a landlord from evicting tenants of a commercial property during the COVID-19 state emergency. It would also authorize a commercial tenant that is a small business experiencing a decline of 40 percent or more in monthly revenue as compared to two months before the shelter-in-place order took effect or to the same month in 2019, and commercial tenants that are eating or drinking establishments, places of entertainment, or performance venues suffering a decline of 25 percent or more in capacity due to social distancing orders or safety concerns, to renegotiate their lease. It would permit the commercial tenant to terminate its lease if the landlord and tenant are not able to reach agreement on lease modifications within 30 days of receiving a notice from the tenant that he wants to renegotiate his lease. SB 939 is currently in the Senate Appropriations Committee; and
- [*SB 1410 \(Gonzalez\) – COVID-19 Emergency Rental Assistance Program*](#): SB 1410 would establish the COVID-19 Emergency Rental Assistance Program. The program would develop a program to assist households who have been unable to pay their rent due to COVID-19 with paying all or a part of their rent due between April 1, 2020, and December 31, 2020. It would also prohibit a landlord who receives rent payment from a program from raising their gross rental rate and seeking an eviction due to unpaid rents. SB 1410 is currently in the Senate Appropriations Committee.

Because these bills have the potential to impact IRWD's investment and real property transactions, staff is tracking and monitoring these bills closely. Staff discussed these bills with the WRP Committee on June 4. Staff also discussed the following bills with the WRP Committee:

- [*AB 1672 \(Bloom\) – Nonwoven Disposable Products*](#), and
- [*SB 1386 \(Moorlach\) – Local Government – Water Assessments, Fees and Charges*](#) (co-sponsored by Irvine Ranch Water District and San Diego County Water Authority).

2020 State Regulatory Update:

The following is a list of some of the State regulations and agency reports staff is monitoring, tracking or planning to engage in over the next three to 12 months. As the next drafts of the regulations or report are released for public review and comment, staff will engage, as appropriate. Staff provided an update to the Committee on new developments related to these regulations.

The pending regulations and reports actively being tracked include the:

- California Plumbing Code Update;
- Department of Water Resources (DWR) and the State Board's implementation of the "Making Water Conservation a California Way of Life" legislation;
- State Board's Chromium-6 Drinking Water Economic Feasibility Analysis;
- State Board's development of a "Cross Connection Policy Handbook;"
- State Board's proposed "Environmental Laboratory Accreditation Program Regulations;"
- State Board's proposed "Mercury TMDL and Statewide Mercury Control Program for Reservoirs" regulations;
- State Board's proposed definition of "Microplastics in Drinking Water;"
- State Board's Safe and Affordable Drinking Water Fund Implementation and Safe and Affordable Funding for Equity and Resilience (SAFER) Program;
- State Board's "Water Loss Performance Standards Regulations;"
- State Board's Water Rights Enforcement Policy; and
- State Board's "Water Quality Control Plan for Inland Surface Waters, Enclosed Bays, and Estuaries of California" and draft "Toxicity Provisions."

2020 Federal Legislative Update:

IRWD's federal advocacy efforts in 2020 continue to largely focus on seeking federal funding for the Kern Fan Groundwater Storage Project and advocating for an increased funding authorization for the federal Water Storage Program. As the nation's attention has shifted to COVID-19, staff and the District's advocates have been tracking the federal legislation dealing with the coronavirus. Staff updated the WRP Committee on these efforts and on the ongoing efforts related to positioning the Kern Fan Groundwater Storage Project for federal funding this year.

EXHIBIT “B”

Amended Mock-up for 2019-2020 SB-1099 (Dodd (S))

**Mock-up based on Version Number 99 - Introduced 2/19/20
Submitted by: Eric Walters, Senate EQ**

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares all of the following:

- (a) Catastrophic wildfires and other natural disasters are increasing in frequency and intensity due to climate change and other factors.
- (b) Wildfires dramatically increase carbon emissions and work against the state’s goals to reduce greenhouse gas emissions and achieve a carbon-neutral future.
- (c) Wildfires and other natural disasters also can cause significant impacts and a threat to the state’s water and wastewater facilities, which are critical to ensuring a safe and reliable water supply for people, businesses, agriculture, and the environment.
- (d) To help mitigate the risks of wildfires, investor-owned utilities have initiated public safety power shutoffs to deenergize parts of their distribution systems, and, in some cases, portions of the transmission system, actions that reduce or eliminate access to a reliable power supply for the state’s water agencies as they count on a reliable source of electricity to move and deliver water.
- (e) Actions need to be taken to reduce the impacts of deenergization wildfires, and other events on critical facilities, including increasing access to alternative power sources that can help support a safe and reliable water supply and maintain the state’s ability to effectively respond to wildfires.

SEC. 2. Article 9.5 (commencing with Section 42010) is added to Chapter 3 of Part 4 of Division 26 of the Health and Safety Code, to read:

Article 9.5. Emergency Backup Generators

42010. For purposes of this article, the following terms apply:

- (a) “Critical facility” means a facility necessary ~~or convenient~~ in providing essential public services, including, but not limited to, facilities such as hospitals, police stations, fire stations,

emergency operations centers, water and wastewater facilities, incident command posts, and communication systems used to support essential public services.

(b) “Deenergization event” means the interruption of power due to a public safety power shutoff.

(c) “Emergency backup generator” means an internal combustion engine greater than 50 brake horsepower and gas turbines greater than 2,975,000 British thermal units per hour for nonutility power generation that does not operate more than 200 hours per year and is only operated in the event of an emergency power failure or for routine testing and maintenance.

(d) “Loss of power” means a failure in an electric generation, distribution, and transmission system or a disruption to electrical power from an electricity provider due to an emergency event, including a wildfire.

(e) “Public safety power shutoff” means a preventative measure to deenergize all, or a portion of, an electric generation, distribution, or transmission system when the electricity provider reasonably believes there is an imminent and significant risk that strong winds, or other extreme and potentially dangerous weather events, increase the probability of a wildfire.

(f) “Water and wastewater facilities” includes drinking water and wastewater treatment plants, pumping stations, storage facilities, and water facilities needed to maintain water service and the water pressure necessary for firefighting.

42451 is amended to read:

(a) On its own motion, or upon the motion of the district board or the air pollution control officer, the hearing board may, after notice and a hearing, issue an order for abatement whenever it finds that any person is constructing or operating any article, machine, equipment, or other contrivance without a permit required by this part, or is in violation of Section 41700 or 41701 or of any order, rule, or regulation prohibiting or limiting the discharge of air contaminants into the air.

(b) As an alternative to subdivision (a), the hearing board may issue an order for abatement pursuant to the stipulation of the air pollution control officer and the person or persons accused of constructing or operating any article, machine, equipment, or other contrivance without a permit required by this part, or of violating Section 41700 or 41701, or any order, rule, or regulation prohibiting or limiting the discharge of air contaminants into the air, upon the terms and conditions set forth in the stipulation, without making the finding required under subdivision (a). The hearing board shall, however, include a written explanation of its action in the order for abatement.

(c)(1) Pursuant to subdivision (b), an air pollution control officer shall (either within 12 months of this paragraph becoming operative or, if the air district does not currently have rules limiting backup generator hours during an emergency, 12 months after the adoption of such rules) develop stipulations for an order of abatement that allows the operator of a critical facility to use emergency backup generators in exceedance of runtime and/or testing and maintenance limits under the following conditions:

(A) If the operation occurs as the result of a deenergization event or other loss of power

(B) If the testing and maintenance is in accordance with National Fire Protection Association (NFPA) 110 – Standard for Emergency and Standby Power Systems.

(2) In accordance with the stipulated order, the operator of a critical facility shall be subject to certain conditions negotiated with the air district including, but not limited to:

(A) a schedule for replacing their Tier 1 or lower emergency backup generators with the cleanest feasible and applicable technology.

(B) The replacement schedule shall be technically and economically feasible and consider the useful life of the generator.

(C) reporting requirements after a deenergization event or testing and maintenance that results in an exceedance of an operational limit.

(3) The stipulated order shall not be in effect for more than five years or the length of time agreed upon for generator replacement.

(4) The stipulated order is subject to hearing board approval.

~~42012. (a) Consistent with federal law, a district shall adopt a rule, or revise its existing rules, to allow critical facilities with a permitted emergency backup generator to do any of the following with that emergency backup generator without having it count toward that permitted emergency backup generator's time limitation on actual usage and routine testing and maintenance:~~

~~(1) Use the emergency backup generator during a deenergization event or other loss of power.~~

~~(2) Test or maintain the emergency backup generator for consistency with any of the following:~~

~~(A) The National Fire Protection Association Standard 110 for Emergency and Standby Power Systems, or its successor.~~

~~(B) Industry best practices~~

~~(C) Recommendations by the manufacturer of the emergency backup generator.~~

~~(b) A district shall not impose a fee on the issuance or renewal of a permit issued for an emergency backup generator described in subdivision (a).~~

SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
