

Exhibit “G”

RESOLUTION NO. 2023-14

RESOLUTION OF THE BOARD OF DIRECTORS OF IRVINE RANCH WATER DISTRICT AMENDING ALLOCATION OF *AD VALOREM* PROPERTY TAXES TO DEBT SERVICE, SUBJECT TO PLEDGE

The Board of Directors of the Irvine Ranch Water District (“IRWD”) has adopted Resolution Nos. 1992-48 and 2002-10, relating to IRWD’s appropriation and pledge of revenues from the general 1% *ad valorem* property tax.

Those resolutions authorized and directed the Treasurer to annually allocate the general 1% *ad valorem* property tax revenues received by IRWD among the debt service requirements of the issues of bonds specified in those resolutions (“Secured Bonds”) in accordance with a formula set forth therein, with the 2002 pledge formula to be applied in lieu of the 1992 pledge formula to the extent provided in Resolution No. 2002-10.

No Secured Bonds that received a pledge of general 1% *ad valorem* property tax revenues under Resolution Nos. 1992-48 or 2002-10 currently remain outstanding, except for the Series 1993 bonds.

IRWD’s revenues from the general 1% *ad valorem* property tax to the extent not applied to pay principal and interest on the Secured Bonds, have been pledged by IRWD to certain parity obligations (the “Parity Obligations”) identified by the Indenture of Trust, dated April 1, 2011, as amended and supplemented (the “2011 Indenture”), relating to the Bonds of Irvine Ranch Water District, Refunding Series 2011A-1.

On November 11, 2013, pursuant to Water Code Section 36454 *et seq.*, the Board of Directors adopted Resolution No. 2013-43, ordering the consolidation of Improvement District Nos. 102, 105, 106, 121, 130, 135, 140, 161, 182, 184 and 186, as modified by certain annexations and detachments ordered by the Board, into a single improvement district designated “Improvement District No. 125” and the consolidation of Improvement District Nos. 2(202), 206, 221, 230, 235, 250, 261, 282, 284 and 286, as modified by certain annexations and detachments ordered by the Board, into a single improvement district designated “Improvement District No. 225.”

The consolidation is one of several actions taken by IRWD based upon its comprehensive evaluation and study of its long-term financial requirements, including: a detailed planning, engineering and financial assessment of the total costs of existing and future facilities in the water and wastewater systems; available bond authorization and other revenue sources to finance facilities to serve future development, system reliability necessary to meet upgraded regulatory requirements for both existing and future demands and replacement and refurbishment to the existing systems; debt service; simplification of the improvement district structure; and assurance of equitable and fair sharing of regional and local cost between existing and future users and among the areas that have comprised the various existing improvement districts and other geographic areas served by the system.

Pursuant to Water Code Section 36454.1, the included amounts and/or included percentages of each series of the Secured Bonds or Parity Obligations that constituted the general obligation of one or more of Improvement District Nos. 105, 121, 130, 135, 140, 161, 182, 184

and 186 were assumed by and became the liability of Improvement District No. 125, and the included amounts and/or included percentages of the respective series of the Secured Bonds or Parity Obligations that constituted the general obligation of one or more of Improvement District Nos. 221, 230, 235, 250, 261, 282, 284 and 286 were assumed by and became the liability of Improvement District No. 225.

The Board deems it to be appropriate, in the interest of IRWD and consistent with the pledges contained in Resolution No. 2002-10 and the 2011 Indenture (collectively, the “Pledges”), to modify the allocation of the revenues from the general 1% *ad valorem* property tax received during the 2023-24 fiscal year (the “Fiscal Year”), subject to the availability of other revenues for debt service on Secured Bonds and Parity Obligations in such year.

The proposed modifications consist of substitution of an allocation of 1% *ad valorem* tax revenues among debt service obligations that is different from the allocation that would be calculated under the formulas specified in the Pledges; in addition, by separate resolution adopting the capital budget, this Board has allocated a portion of the 1% *ad valorem* tax revenues for the Fiscal Year to one or both of IRWD’s Replacement Fund or Enhancement Fund.

Article XIII B of the Constitution of the State of California provides that the appropriations of local agencies will be limited each year to those of the previous year, adjusted for changes in population, cost of living and transfers in sources of funding.

Section 9 of Article XIII B excludes from the appropriations subject to limitation appropriations for debt service and appropriations for all qualified capital outlay projects; a qualified capital outlay project is defined by statute as an appropriation for a fixed asset (including land and construction) with a useful life of 10 or more years and a value which equals or exceeds one hundred thousand dollars (\$100,000).

The Board of Directors of the Irvine Ranch Water District therefore resolves as follows:

Section 1. Subject in all respects to the Pledges, the Treasurer is hereby authorized and directed to implement a modified allocation of the pledged amounts (as defined in the Pledges) of the general 1% *ad valorem* property tax revenues for the Fiscal Year 2023-24 in the manner set forth as follows:

- (a) the amount to be allocated to the Replacement Fund shall be as specified in the resolution adopting the capital budget for the Fiscal Year;
- (b) the amount to be allocated to the Enhancement Fund shall be as specified in the resolution adopting the capital budget for the Fiscal Year;
- (c) the amount to be allocated to the sharing of regional and local cost by existing and future users of the areas known as 111 and 222 shall be as set forth in Attachment “A,” which is attached to this resolution and by this reference made a part hereof;
- (d) the allocation among the Improvement Districts’ debt service obligations shall be as set forth in Attachment “A,” subject to adjustments as may be necessary to reflect actual tax revenues received by IRWD;
- (e) the amount allocated to each Improvement District or combination of Improvement Districts specified in Attachment “A” shall be further allocated by the Treasurer among the various outstanding bond issues based upon their debt service requirements and/or other criteria as he deems appropriate; and

(f) the amounts to be allocated pursuant to paragraphs (d) and (e) from the pledged amount of the general 1% *ad valorem* property tax revenues received by IRWD shall be held unallocated until such allocations are made, and each such amount shall be deposited into the appropriate debt service fund or account for the respective bond issue as and when determined by the Treasurer.

The applications described in this section shall be made only if and to the extent there is not a deficiency at the time of application in the amounts available to pay debt service for any Secured Bonds or Parity Obligations.

Section 2. Nothing contained in this resolution is intended to impair or modify in any way the pledge of the general 1% *ad valorem* property tax revenues as stated in the Pledges. Nothing contained in this resolution is intended to create any entitlement with respect to the use of general 1% *ad valorem* property tax revenues for any particular purpose, it being intended that such revenues are unrestricted except by such Pledges and are subject to application as determined in the discretion of the Board of Directors from time to time.

Section 3. It is hereby found and determined that relative to appropriations subject to limitation under Article XIII B of the Constitution of the State of California, the applications of revenues described in this resolution are for debt service, and accordingly do not constitute proceeds of taxes the appropriation of which is limited under Article XIII B, and that the documentation used in making such determinations has been on file in the office of IRWD for not less than 15 days prior to the date hereof, pursuant to Section 7910 of the Government Code of the State of California

Section 4. The President, Secretary, Treasurer and each other officer of IRWD, acting singly, be and hereby is authorized and directed to execute and deliver any and all documents or instruments and to do and perform any and all acts and things necessary or proper for carrying out the transactions contemplated by this resolution.
