Project Name: Main Street Manhole Rehabilitation Project

Project Location: Located on Main Street, just east of MacArthur Blvd in the City of Irvine, CA (see Exhibit "A")

County: Orange

Description of Nature, Purpose and Beneficiaries of Project:

Ownership of an existing 48-inch sewer manhole was transferred to the Irvine Ranch Water District (IRWD) from the Orange County Sanitation District (OCSD) several years ago. The manhole is located on Main Street just east of MacArthur Boulevard in the City of Irvine.

IRWD uses closed circuit television (CCTV) to monitor its sewer system, which includes sewer pipelines and sewer manholes. CCTV investigations have identified that this manhole was paved over.

This project will rehabilitate the existing 48-inch manhole so that it is properly integrated into IRWD's collections system.
