

Irvine Ranch Water District
Construction Notice

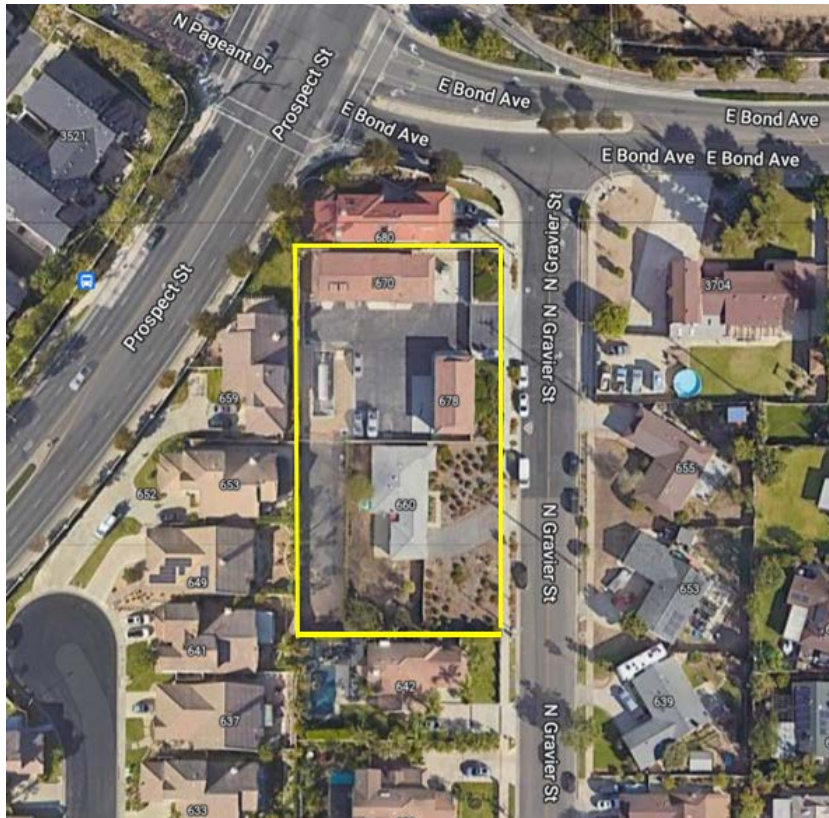

Drinking water well improvement project

June 8, 2022, through Fall 2023

Irvine Ranch Water District, in partnership with Orange County Water District, will be upgrading and modernizing the drinking water well facility on North Gravier Street.

The work involves the demolition of the IRWD-owned house on the south side of the property, modification of the existing well equipment, installation of a new treatment system for the well, and additional site paving. The existing perimeter wall along Gravier will be extended, and a second gated entrance will be installed. In addition, new landscaping along the frontage of

the site and new trees along the southwest and southerly borders of the site will be installed.

WHAT: Upgrades to drinking water well

WHEN: June 8, 2022, to Fall 2023

WORK HOURS: 8 a.m. to 4:30 p.m., Monday through Friday

For more information, please contact IRWD's Public Affairs Department at info@IRWD.com or call 949-453-5500.
